- All peaks must be summited in a single winter season.
- Hikes begin and end at the trailhead. On-foot (bare boot, traction, snowshoe, ski) travel only from trailhead to summit back to trailhead.
- The trailhead is defined by the point at which you can no longer easily and legally drive a four-wheeled street legal passenger vehicle in the summer. You may arrive at the trailhead by any means.
- The first hike must begin at the trailhead after the the winter solstice.
- The last hike must be completed (back at the trailhead after summiting) before spring equinox.
- Must be completed during or after the winter of 2019–2020.
- Successful hikers will receive a patch, a sticker, and have their names posted online.
- Submit the completed application with \$10.00 postmarked by April 6th to:
